IN THE MIDDLE OF EVERYTHING

Tampere Hall is an "easy access" venue. Located in the centre of Tampere, visitors reach us easily.

Tampere-Pirkkala international airport is served by SAS via Stockholm and Finnair via Helsinki. The airport is so compact and efficient that you will be at your hotel 20 minutes after landing!

There is a good train connection from Helsinki-Vantaa airport to Tampere, taking 1,5 hours from door to door. Also special buses run every hour.

Finland, as a travel destination, is safe!
