

Sexuality

For this station you will need a large paper. Write "sexuality" in the middle of the paper.

1 Students create a mind map about sexuality.

2 *Discussion (mind map)*

What should be talked about?

- Sexuality is an important part of humanity and everyone has the right to express it.
- Sexuality is more than just sex. It is also for example
 - sexual orientation
 - masturbation
 - enjoying
 - fantasies
 - intimacy (hugging, cuddling, holding hands, kissing etc.)
- Sex is more than just sexual intercourse.
- Am I ready? Is my partner ready?
 - Respect yourself and your partner! Don't pressure them!
 - Talk with your partner!
- What about porn?
 - 
 - Porn is not the same as sex.
 - It is usually made with professional actors and it is fake.
 - It might give you the wrong idea of sex. You shouldn't use it as an example!
